God Provides for His People: Exodus 16:1-8, 13-17, 31, 35; 17:1-6

Family Talk

Every child needs a place where she can feel safe and

secure—both physically and emotionally. Children must have their daily physical needs met—food, shelter, clothing. They need to feel safe physically from ghosts, darkness, and kidnapping. Children also need to feel safe emotionally from the rejection or belittling of others.

God recognized these same needs in the Israelites when He provided for their daily needs—meat and bread from the sky, water from a rock, and so forth. As you provide for your child's needs, rest assured that God will provide for your needs. Teach your child that she can trust you because you trust God.

Bible Memory FUN

Psalm 105:1

Find this verse in a family Bible. Pick a street or road that is commonly used during the week and name it "Bible Verse Lane." Every time you and your

child travel down that street, say the Bible verse together.

This week, help your child remember:

God gives us what we need.

Family Fun...

Blessings Collage. Have each family member find and cut out pictures from magazines that represent items we need and which God provides for the family. Glue the pictures onto a piece of poster board. Display the family masterpiece and thank God for all the ways He blesses your family.
