# Revving Up for Disaster Response

Pit crews operate with speed and precision to help drivers finish their races in record time. God’s Pit Crew has adapted the same approach for disaster response, quickly mobilizing to deliver life sustaining supplies to those who have lost everything.

The Missions Committee is looking for volunteers to help pack Blessing Buckets at the group’s Danville headquarters on September 25. Stop by our table in the foyer to sign up and learn how this ministry provides a lifeline to those living through the darkest of times.

## September Preschool News

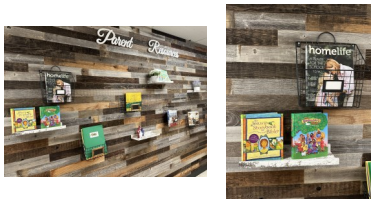

Our preschool and kindergarten children will be walking through Genesis 1 and 2. They will learn about God’s beautiful creation. There is little more captivating than learning about the miracle of the design of our world.

The toddlers will learn that God made them. Each one of us is special. God made our face so we can see, hear, smell, and taste. Thank you God for making me!.

Are you still working with your little ones to learn about tithing? We have little church banks to collect their tithes and offerings in the 2’s & 3’s room as well as the 4’s & 5’s room. A few coins each Sunday now, will turn into faithful tithing later.

## PARENT RESOURCE WALL

Our new Parent Resource Wall will have sign-up sheets, announcements about upcoming events, books to check out, and books to look at. Also, the monthly **Home Life** magazine can be found there.
