

## **Patriotic Medley**

*God Bless America, This Land is Your Land & The Stars and Stripes  
Forever*

God bless America, land that I love  
Stand beside her and guide her  
Through the night with the light from above  
From the mountains to the prairies  
To the oceans white with foam  
God bless America, my home sweet home  
God bless America, my home sweet home  
(repeat)

This land is your land, this land is my land  
From California, to the New York Islands  
From the Redwood Forest, to the Gulf stream waters  
This land was made for you and me

As I was walking that ribbon of highway  
I saw above me an endless skyway  
I saw below me that golden valley  
This land was made for you and me

This land is your land, this land is my land  
From California, to the New York Islands  
From the Redwood Forest, to the Gulf stream waters  
This land was made for you and me  
This land was made for you and me  
This land was made for you and me

Hurrah for the flag of the free!  
May it wave as our standard forever,  
The gem of the land and the sea,  
The banner of the right.

Let despots remember the day  
When our fathers with mighty endeavor  
Proclaimed as they marched to the fray  
That by their might and by their right  
It waves forever.

(repeat.....Hurrah for the flag.....)

## **We've a Story to Tell**

We've a story to tell to the nations,  
That shall turn their hearts to the right,  
A story of truth and mercy,  
A story of peace and light, a story of peace and light

*(Chorus)*  
*For the darkness shall turn to dawning,  
And the dawning to noonday bright;  
And Christ's great kingdom shall come on earth,  
The kingdom of love and light.*

We've a song to be sung to the nations,  
That shall lift their hearts to the Lord,  
A song that shall conquer evil  
And shatter the spear and sword, and shatter the spear and sword.  
*(chorus)*

We've a message to give to the nations,  
That the Lord who reigns up above  
Has sent us His Son to save us  
And show us that God is love, and show us that God is love.  
*(chorus)*

We've a Savior to show to the nations,  
Who the path of sorrow has trod,  
That all of the world's great peoples  
Might come to the truth of God, might come to the truth of God.  
*(chorus)*

### **People Need the Lord**

Every day they pass me by, I can see it in their eyes  
Empty people filled with care, headed who knows where  
On they go through private pain, living fear to fear  
Laughter hides the silent cries, only Jesus hears

*(Chorus)*  
*People need the Lord, people need the Lord  
At the end of broken dreams, He's the open door  
People need the Lord, people need the Lord  
When will we realize, people need the Lord*

We are called to take His light, to a world where wrong seems right  
What could be too great a cost, for sharing life with one who's lost  
Through His love our hearts can feel, all the grief they bear  
They must hear the words of life, only we can share  
*(Chorus x2)*
