Lesson 11

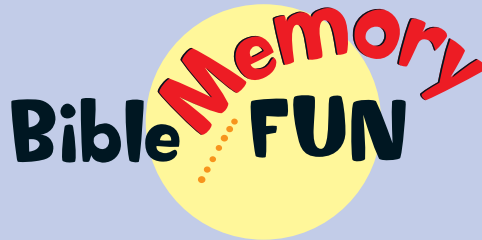

The Church Prays for Peter in Prison: Acts 12:1-17

Prayer in the lives of children is most powerfully

influenced by the adults in their lives. A mother who consistently demonstrates prayer in her own life, a father who prays regularly in his children's presence, or a relative or a teacher who frequently displays the practice and power of prayer in his life will provide the example from which our children will learn.

If prayer is something you model as a natural part of your life, then your children too will learn to depend on prayer as a way to talk to God.

Acts 5:42

Find this verse in a family Bible. Make a prayer card with the Bible verse written on it. During family prayer time, thank God for the Bible and say the Bible verse together.

This week, help your child remember:

We can pray for people who tell about Jesus.

Prayer Party. Write the names of church staff, missionaries, and Sunday school teachers on slips of paper. Place the papers folded in a container. Make a "Prayer Party" sign to hang, and decide on a party snack to enjoy. Gather and take turns picking slips of paper from the container. Pray for each individual named on the papers.

Thank God for people who tell others about Jesus.

Use these thoughts at mealtimes, bedtimes, or other times when you pray with your child this week.

Thank You, God, for preachers who tell about Jesus.

God, protect our missionaries as they tell people around the world about Jesus.

I thank You, God, for my church teachers.
