### Cards for Friends

Help your child make a card for a classmate. Let your child scribble-color and add stickers to a piece of construction paper or card stock. Fold it into a card, put it in an envelope, and make sure it gets to the friend. Remind your child how much fun it is to have friends at church.

### Family Dinner Night

Plan one meal when each person in the family helps with part of the meal or by setting the table. Before eating, talk about Jesus' love for your family. Remember to pray and thank Him for His love.

#### Who Does Jesus Love?

Gather your family in a circle. Have them pass a beanbag or soft ball until you say “stop.” Ask the person holding the ball “Does Jesus love you?” That person should respond, “Yes, Jesus loves me!” Make sure everyone gets a couple of turns. Even your young child can nod his head or say yes!
