

Family Together Time

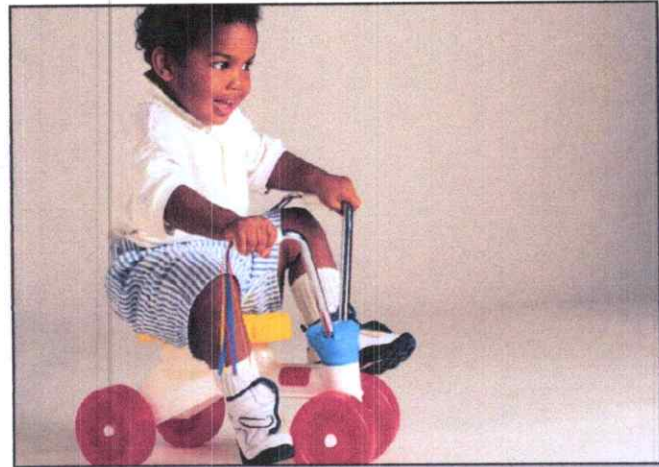

God Made My Legs

Genesis 1:27; Psalm 139:13-16

God made our legs.
Touch your legs.
Where are the boy's legs? The boy is using his legs to ride his bike. Thank You, God, for making our legs.

Bible Words

"God made me"

(based on Genesis 1:27).

Say these words and encourage your child to say them also. Put your hands around your child's hands and clap hands together while saying these words.

God Made Legs

We walk, walk, walk. (*walk in place*)
And we run, run, run. (*run in place*)
God made our legs, (*point to legs*)
And they're so much fun!
(*raise arms and jump*)

Fun with Legs

As your child lies on his back, take his legs for a "bicycle" ride. You can also set up a path for your child to take a special walk with his legs. Lay out several carpet squares a few inches apart. Show him how to walk or jump from one carpet square to the next.

Baskets of Fun

Set out laundry baskets and fill them with pillows, soft towels, or blankets. Invite your child to crawl in and out of the baskets and talk about how God made her legs so she can crawl.
