

Together Time

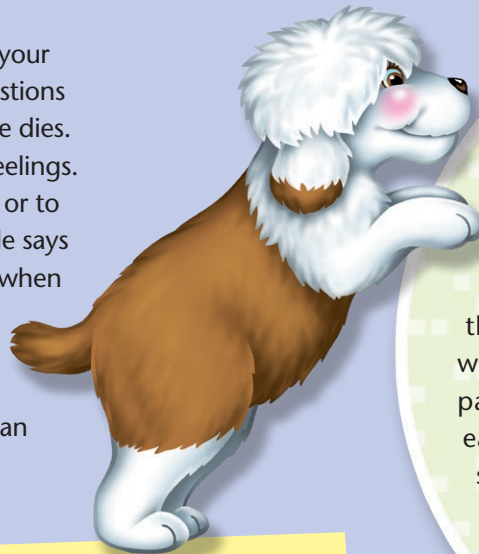

Jesus Brings Lazarus Back to Life: John 11:1-7, 17-44

Family Talk

The Bible tells in John 11 how Jesus called Lazarus from the tomb and

Lazarus came out alive! The concept of death may not seem very real to a child, unless she has recently experienced the death of a pet or family member.

Don't be afraid to discuss death with your child. Be honest when answering questions about how people feel when someone dies. Acknowledge and respect your child's feelings. Assure your child that it is okay to cry or to want to be alone. Share what the Bible says about death and life. Emphasize that when someone who is a Christian dies, the person will go to Heaven. Share how much God cares for all people. Jesus is God's Son and He is more powerful than death!

Bible Memory FUN

Psalm 147:5

Find this verse in a family Bible. As a family, think of hand motions you can do for selected words of the verse. Say the verse and do the motions.

This week, help your child remember:

Jesus is God's Son.

Family Fun...

God's Son. Children love creative activities where they can express themselves. Prepare an area on a table with protective covering. Provide paper, paints, glitter, and other art supplies. Ask each family member to create a picture that shows a favorite Bible story about Jesus. After the pictures dry, hang them and celebrate that Jesus is God's Son.

Daily Talks with God

Use these thoughts at mealtimes, bedtimes, or other times when you pray with your child this week.

Jesus is God's Son!

Praise God! Jesus brought Lazarus back to life!

Jesus, You have great power.
