Genesis 1:27; Psalm 139:13-16

Read
Together

God made our ears.
Point to the boy's
ears. Can you touch
your ears? We can
hear with our ears.
Thank You, God, for
making our ears.

Bible Words

"God made me"

(based on Genesis 1:27).

Say these words and
encourage your child to say
them also. Put your hands
around your child's hands
and clap hands together
while saying
these words.

Ears to Hear

God gave me ears (*touch ears*)
So I can hear. (*cup hand behind ear*)
When I am far (*walk away from child*)
And when I am near. (*walk back to
child*)

Hide and Find

Hide in a room near to where your child is. Call your child's name
until she finds you. Tell her that you're glad God made her ears
so she can hear you calling her name.

Things
to Do
Together

Move to Music

Play some music that you and your child enjoy and have fun
moving. Hold hands, or pick your child up to snuggle and
move. Or you can each create your own movements. As you
move, tell your child that we can hear music because God made
our ears to hear.
