God Made the Sun, Moon, and Stars

Genesis 1:1-19

Read
Together

God made the sun, moon, and stars. Can you find the sun? The sun is yellow. Thank You, God, for making the sun.

Art by Becky Radtke

Bible Words

“God made everything”

(based on Acts 17:24).

Go outside with your child. Say, “I see a tree God made. I see a flower God made.” Ask if she sees things God made. Say the Bible Words and invite your child to say them with you.

God made the sun to shine so bright. *(look up)*

God made the moon to glow at night.

God made the stars to twinkle up high. *(flutter fingers)*

God made everything I see in the sky. *(raise arms toward the sky)*

Together

Star and Sun Cookies

Purchase or make sugar cookie dough. Use star and circle cookie cutters to make star- and sun-shaped cookies. Let your child help frost the cookies. While she works, remind her that God made the sun and stars.

Things
to Do
Together

Catch the Sun

Lift a yellow ball over your head, and say, “The sun comes up.” Drop the ball onto the floor, and say, “The sun goes down. Catch the sun!” Encourage your child to chase after the ball and bring it back to you. Remind your child that God made the sun. Keep playing until your child loses interest.
