Read
Together

God made our noses. Can you point to the girl's nose? Where is your nose? We can smell good things with our noses. Thank You, God, for making noses.

Bible Words

"God made me"

(based on Genesis 1:27).

Point to yourself and say, "God made me." Point to your child and say, "God made you." Repeat several times and encourage your child to join in.

(Sing to the tune

"The Farmer in the Dell")

God made your nose.

(touch your child's nose)

And God made my nose.

(touch your nose)

Thank You, God, for making noses.

(wiggle your child's nose)

Yes, God made your nose.

Scented Dough

Make some scented dough with your child. As you pat, poke, and roll this dough with your child, talk about how God made noses to smell good things.

Recipe: 1 c. each of flour, water, salt; 1 tbs. cream of tartar; food coloring; flavored extract. Mix all ingredients and cook on low until a ball forms, and then knead until smooth.

Familiar Scents

Take a walk through your home with your child. Invite your child to smell familiar things, such as oranges in the kitchen, dryer sheets in the laundry room, and blankets in the bedroom. Thank God for making noses.
